**Re: Best Circle/Comfort Lane
Trail and Bridge
Project Commencement Notice
Our File No: T04 2014-17**

The Town of Newmarket will be commencing the installation of a mulched/granular trail from Lockwood Circle to the proposed self-weathering steel bridge at Comfort Lane, included in this project is a wider asphalt trail from the proposed bridge to Comfort Lane.

Construction Commencement

Construction is scheduled to commence the week of September 29, 2014 subject to LSRCA Permit Approval, weather, and site conditions.

The bridge and mulched trail is estimated for completion mid-November 2014, subject to weather and site conditions. Plantings along the streambank on either side of the bridge are to be completed in the spring of 2015.

Trail and Bridge Opening

Please note that during the construction period, the bridge and trail will be closed until all construction works have been completed and all fencing/construction equipment have been removed off site.

Should you have any further questions and/or concerns regarding this project, please contact the undersigned.

Sincerely;
