CONSTRUCTION COMMENCEMENT NOTICE**Tom Taylor Trail Davis Drive Underpass****May 10, 2016**

Please be advised that the Town has received all approvals for the construction of the Tom Taylor Trail Davis Drive Underpass. In an effort to expand Newmarket's trail system and provide better connectivity, the Town will construct a new section of the Tom Taylor Trail along the east side of the Holland River from the south side of the Youth Centre to the existing pedestrian bridge that crosses over the Holland River to the Tannery Mall just North of Davis Drive.

The project will consist of two new bridges and foundations, three-meter-wide asphalt trail, pedestrian lighting, site furniture, plantings, retaining walls, concrete paving and seat walls.

Construction is scheduled to start as early as Monday, May 23, 2016 subject to weather and site conditions. Project completion is estimated for late fall 2016.

The existing trail north of Davis Drive will remain open along with the pedestrian bridge that crosses over to the Tannery Mall. The Mabel Davis Conservation Area will be closed during the entire construction period and the north side of Davis Drive will be accessible by trail on the west side of the Holland River.

Should you have any further questions and/or concerns regarding this project, please contact Mike Ashworth at the Town of Newmarket at 905-895-5193.

Sincerely;

Mike Ashworth B.L.A.,
Capital Projects Parks Development Coordinator
