Construction Update

Sidewalk Construction – East side of Yonge Street (From the Tom Taylor Trail to Savage Road South)

Dear Resident,

Further to our letter dated August 6, 2015 we are pleased to inform you that the new sidewalk and associated works on the east side of Yonge Street from the Tom Taylor Trail to Savage Road South is now complete and is ready for pedestrian usage.

Over the next week or so you may see Town personnel along with the Town's consultant and contractor on site. This is due to a final inspection that will be conducted to ensure that the sidewalk meets Town standards prior to acceptance.

We thank you for your ongoing cooperation during the construction process. If you have any questions or comments please contact Tom Ungar, P.Eng. at (905) 953-5300, press 2, ext. 2504 during business hours or at tungar@newmarket.ca via e-mail.

Yours truly,

Tom Ungar, P. Eng.
