Construction Update

A Report to the Residents of Woodland Court

Dear Resident,

Further to our letter dated August 6, 2015 the Town is pleased to inform you that the reconstruction of Woodland Court is now complete except for the sodding, bio-swale and the final cleanup. The Contractor (Bennington Construction Ltd.) has informed the Town that they will have these items completed including the site cleanup by the end of the workday on Wednesday, September 2, 2015, weather permitting. As mentioned before, the top lift asphalt will be placed under a separate contract in 2016.

The Town's consulting engineers, The Ainley Group, has a full time representative on site to oversee the construction activities and to deal with any concerns that you may have. Should you have any questions regarding the construction, please contact Mr. Josh Mclean, Ainley's site supervisor, during business hours at (905) 751-8636 or at mclean@ainleygroup.com via e-mail or the undersigned at (905) 953-5300 enter 2, followed by 2504 via telephone or at tungar@newmarket.ca via e-mail.

For after-hours emergencies please contact Mr. Steve Roy, C.E.T., of Bennington Construction at (647) 468-0087.

In closing, we thank you for your continued patience and understanding during the progression of the construction activities.

Yours truly,

Tom Ungar, P. Eng.,
Capital Projects Co-ordinator
