

REQUIREMENTS FOR DEMOLITION PERMIT

Residential Commercial Institutional Industrial

A Demolition Permit may be approved after all acknowledgements have been received for the following address:

Demolition Contractor's License Number: _____

Liability Insurance Policy Number: _____

Unit Approval: _____

Dept. or Agency	Phone no.	Date	Signature
Fire Department	905-895-9222		
Newmarket Hydro	fax: 905-953-8701		
Operations	fax: 905-953-5319		
Bell Canada	611		
Enbridge	1-800-461-4444 (press 8); fax: 416-492-6352		
Rogers Cable	1-866-567-5778		

******For faster processing we suggest sending one copy of this form to all utilities.**

Comments:

NOTE: internal approval will be required from the Planning Department and a tree inventory/protection plan may be necessary.

A Professional Engineer may be required to undertake the general review of the demolition if the building falls within the following criteria:

- a) The building exceeds 3 storeys or 6460 square feet in the building.
- b) The building includes pre-tension or post-tension members.
- c) Demolition extends into the angle of repose of adjacent buildings.
- d) Demolition includes the use of laser or explosives.

REQUIREMENTS DURING DEMOLITION

- 1. The Town streets affected by the demolition shall be cleaned daily of any rubble or debris.
- 2. All rubble and debris shall go to a Ministry of Environment approved landfill site.
- 3. Upon completion of the demolition, the site shall be left graded and level ready for any new proposed development and inspection approval obtained.

I hereby acknowledge the foregoing and agree to comply:

Owner or authorized agent: _____ Date: _____

Witness: _____ Date: _____
