Additional Parkland Requirement for residential applications on larger sites within the Urban Centres

3.2 Within the areas subject to the Urban Centres Secondary Plan, the *Town* shall require, as part of or in addition to the requirements provided in Part 3.1, that all *development or redevelopment* applications that include residential uses on sites greater than 1000 square metres in size, identify a physical land contribution to the Urban Park System, as follows:

- (a) An Urban Park System land contribution of not less than 7.5% of the developable site area; and/or
- (b) An Urban Square or Plaza, *Pocket Park* or *Sliver Space* with a minimum frontage on a public street of 7.5 metres, and a minimum size of 75 square metres. Larger sites shall include larger Urban Squares or Plazas and/or multiple Urban Park System elements; and/or

The remainder of the required parkland dedication may be made up of an off-site land dedication, or *cash-in-lieu* of land, or some combination of land and *cash-in-lieu*.

For sites less than 1000 square metres in size, the *Town* may accept an on-site land contribution, an off-site land contribution and/or *cash-in-lieu* of land.

PART 4 - PARKLAND CREDIT

4.1 Within the areas subject to the Urban Centres Secondary Plan, physical land conveyed and deemed acceptable by the *Town*, including but not limited to Neighbourhood Parks, Urban Squares, Plazas, *Pocket Parks*, *Sliver Spaces* and *Pedestrian Mews* within the Urban Centres, shall receive 100% credit toward the achievement of the parkland dedication requirement of the *Town*, in accordance with the requirements of Part 3 of this by-law.

4.2 Within the areas subject to the Urban Centres Secondary Plan, *Privately Owned Public Spaces* and *Strata Parks* that are not in public ownership may be considered as contributing toward the parkland dedication requirement of the *Town*, as long as appropriate legal agreements between the *Owner* and the *Town* are in place to ensure that they are designed and maintained to *Town* standards and are open and accessible to the public.

4.3 Where *Privately Owned Public Space* is designed and secured through a public easement for public uses such as interior courtyards, private/public squares and *Pedestrian Mews* linkages designed to be open and accessible to the general public and maintained to *Town* standards, 50% of the value of the land secured through an easement for such uses shall be applied as a credit towards the land requirements or *cash-in-lieu* required for parkland. This credit reflects the fact that these lands are not under the control of the *Town*, which will restrict the ability of the *Town* to design, manage and program the space as it wants over time.

- 4.4 Where *development* or *redevelopment* proposes a *Strata Park* that is to be owned by the *Town*, 80% of the value of the land required for parkland shall be applied as a credit towards the land requirements or *cash-in-lieu* required for parkland. This credit takes into account this type of parkland's inherent use limitations. For clarity, the 80% credit described in this section only applies where *Strata Parks* are not *Privately Owned Public Spaces*.
- 4.5 Where land is dedicated to the *Town* for the purpose of the future burying of hydro and related utility facilities across the frontages of Yonge Street or Davis Drive, 10% of the value of the land being dedicated shall be applied as a credit towards the land or the *cash-in-lieu* required for parkland.
- 4.6 Where *development* or *redevelopment* is within the Historic Downtown Heritage Conservation District or affects a property designated pursuant to Parts IV, V and VI of the *Ontario Heritage Act* and an identified cultural heritage resource is conserved, 20% of the value of the land required for parkland shall be applied as a credit towards the land requirements or *cash-in-lieu* required for parkland.
- 4.7 Within the areas subject to the Urban Centres Secondary Plan, the *Town* may accept a full or partial off-site land dedication in-lieu of an on-site land dedication, as long as the value of the land for the off-site land dedication is of equal or greater value than that for the on-site land dedication, as determined by Part 4 of this by-law. The off-site dedication may be a complete or partial parkland contribution with reference to the land area and *cash-in-lieu* value being provided.

PART 5 – DETERMINATION OF CASH-IN-LIEU VALUE

- 5.1 To determine a cash-in-lieu value of land as required by Part 3 of this by-law, land value shall be determined as of the day before the building permit is issued in respect of the *development* or *redevelopment*.
- 5.2 For the purposes of Part 5.1 of this by-law, the value of the land for which payment is being made in lieu of a conveyance shall be established by way of an appraisal of the fair market value of the land by a qualified professional appraiser of real estate with experience appraising all types of real property. The appraisal shall be obtained by the Owner and shall be at the sole cost and expense of the Owner.
- 5.3 All appraisals obtained pursuant to this by-law shall state the criteria used to determine the value within the appraisal and shall be satisfactory to the *Town*.
- 5.4 An appraisal shall remain current for a maximum period of two years from the date of the appraisal.

PART 6 – TIMING OF LAND CONVEYANCE / CASH-IN-LIEU PAYMENT

- 6.1 Where land is required to be conveyed to the *Town*, and/or cash-in-lieu is required to be paid to the *Town* in accordance with Part 3 of this by-law:
- (a) Title for the land to be conveyed or the payment of *cash-in-lieu* thereof for any *development* or *redevelopment* under Section 42 of the *Planning Act* shall be received by the *Town* prior to the issuance of any building permit for the proposed *development* or *redevelopment*.
 - (b) Title for the land to be conveyed or the payment of *cash-in-lieu* thereof shall be received by the *Town* in accordance with the conditions of approval of a plan of subdivision or condominium pursuant to Section 51 of the *Planning Act* or the conditions of provisional consent pursuant to Section 53 of the *Planning Act*.

PART 7 – PHASED DEVELOPMENT

- 7.1 Notwithstanding Parts 5 and 6 of this by-law, for *development* or *redevelopment* which occurs pursuant to either of Sections 41 or 51 of the *Planning Act* and for which approvals are issued in phases, the *Town* shall calculate and require the conveyance of land for park purposes or the payment of *cash-in-lieu* in accordance with the provisions of this by-law, on a phase by phase basis.

PART 8 - EXEMPTIONS

- 8.1 This by-law shall not apply to the following:

- (h) The enlargement of an existing single detached or semi-detached *dwelling unit* provided the enlargement does not result in an additional *dwelling unit*.
- (i) An accessory *dwelling unit* permitted by the *Town's* Official Plan and/or Zoning By-law in effect.
- (j) The enlargement of an existing commercial, industrial, or institutional building if the *gross floor area* of the enlargement is 10% or less than the current *gross floor area* of the existing building or structure. This exemption shall not apply to enlargements that are 929 sq m or greater in *gross floor area*.
- (k) A *temporary* building or structure.
- (l) Where the total *cash-in-lieu* payable for *development* or *redevelopment* is less than \$100.

PART 9 – LANDS NOT ACCEPTABLE FOR PARKLAND CONVEYANCE

9.1 The following lands shall not be acceptable for parkland conveyance:

- (a) Lands designated as Natural Heritage System in the *Town's* Official Plan or lands designated Floodplain and Hazard Lands in the *Town's* Urban Centres Secondary Plan.
