and Stage Right, Green Room, Lobby Left, Lobby Right, and the box office. This stage picture can also be routed to the VCR for recording purposes.

Computer Network Access

Internet access is available via a hardwired Cat 5e connection or via WiFi. Internet usage is subject to the Town of Newmarket's Acceptable Use Policy for Internet and Internet E-mail.

Should you have any questions, please contact Charles R. Kaiser (Technical Director) at (906) 953-5327 (direct), (905) 717-6129 (cell), (905) 715-7237 (fax) or ckaiser@newmarket.ca (email).

Please note that we make every effort to ensure that our equipment is maintained to the highest possible standard. Please understand that this may mean that a listed piece of equipment may not be available due to repairs or maintenance being undertaken. If you require a certain piece of equipment for your production, please call us to ensure its status.

***An extra charge may be made to cover the cost of the use of this equipment due to the need to replace lamps, fluids, or other expendable items.*
