TAKE EXTRA CAUTION WHEN TRAVELLING AROUND NEWMARKET

With the warmer temperatures during the day and colder temperatures at night creating flash freezing on the roads, sidewalks and trails, Newmarket reminds residents to stay cautious, slow down and take your time to get to your destination.

DO NOT SKATE ON FAIRY LAKE, HOLLAND RIVER OR STORMWATER PONDS

Please remember, do not skate or participate in any recreational activities on any body of water in Newmarket such as Fairy Lake, the Holland River or any stormwater ponds.

No matter how thick the ice may appear on all bodies of water, temperature changes can cause major variations in ice thickness. These highly unpredictable factors create extremely dangerous conditions that put your safety at risk.
