## PUBLIC NOTICES

### TAKE EXTRA CAUTION AROUND LAKES, STREAMS, RIVERS AND STORMWATER PONDS

Take caution around local bodies of water such as Fairy Lake, the Holland River and stormwater ponds. Use extreme caution and advise your children to not to skate, fish, swim or toboggan in these areas. **Stormwater ponds may look safe but water flow and levels can fluctuate quickly without warning. Please do not skate on stormwater ponds.**

### NEWMARKET SNOW PLOWING PROCEDURES

Newmarket snow crews plow sidewalks and local roads in Newmarket. Regional roads such as Mulock, Bayview, Yonge are maintained by York Region. Plowing operations begin once snow accumulates over 6cm and the focus will be primary roads first. Please remember:

- Do not push snow into the streets or sidewalks
- Do not put waste and recycling bins on the street or sidewalk
- Do not park your cars on the street as this interferes with snow plowing operations
- Please report and damages to [info@newmarket.ca](mailto:info@newmarket.ca)
- Please respect our snow operators

See more tips at [newmarket.ca/snowfaq](http://newmarket.ca/snowfaq)

### NEED EXTRA PARKING THIS WINTER?

The free Off-Street Parking program is back! With a permit, you can park in select municipal lots overnight between the hours of 5 p.m. to 7 a.m. while winter parking restrictions are in effect. It's easy:

1. Go to our online parking portal
2. Put in your vehicle information
3. Park in one of four Municipal lots, in a designated spot
4. Move your car by 7 a.m.

No printing required!

### WASTE AND RECYCLING TIPS

Keep these waste and recycling tips in mind:

- Have all items at the curb by 7 a.m. to ensure pick-up. Do not place items on a snowbank.
- Do no overfill your blue box. Keep materials below the rim to ensure they do not blow away.
- Place heavier recyclable items on top and lighter items on the bottom of your blue box.
- Missed waste collection? Call GFL at **1-866-421-5625** for more information.

### LIVING WITH WILDLIFE: COYOTES

Prevent encounters with coyotes by:

- Removing food attractants from your property
- Storing all garbage in tightly sealed containers
- Using motion sensitive lights in your yard
- Ensuring spaces around decks or sheds are closed off
